Dear Ms. Tengan:

Just sent you the witness list but neglected to mention our investigators, who might potentially be called, mostly as rebuttal witnesses: Mike Orian, Honolulu, and Robert Vickers, c/o Bethel Investigations, Maui.

Also meant to give you the address of Robert Pimentel, Jr. since he is about the only one I listed who is not included in police reports. It is 304 Kenolio Rd., Kihei.

If you need addresses for any others I listed, let me know and I will try to find the addresses and get them to you right away.

Dear Ms. Tengan:

I have obtained from the various investigators, from former defense counsel, and from Lori Smith, all of the audio tapes that I believe exist which are relevant in any way to this case or the investigation of this case.

I previously gave you copies of the following:

- Interview with Jennifer and Joan German
- Interview with Betty Teruya
- Interview with Phil Schmidt
- Interview with Donna Piatkowski
- Telephone messages left by Lisa Kimmey on Lori Smith's answering machine,
and tape of phone conversation between Lori and Lisa.

In addition, I am now forwarding to you at this time the originals of all the other tapes that I know to exist, except of course for taped interviews between the investigator working for prior defense counsel and the client, which are protected by Evidence Rule 503. They were made by investigators Rae MacPherson and Robert Vickers. Here is a list of those tapes, all of which I am turning over to you at this time.
